Caramba Profi-Line

Professional – Sustainable – Effective

**Product
overview**

Product overview from A to Z

	Page		
A	High-performance anti-corrosive wax 13		Intensive Magic Wonder gloss polish 12
	High-performance adhesive lubricant 5	O	Active oil stain remover 11
	High-performance anti-corrosive primer, red-brown 13	P	Active perfect climate 12
	High-performance assembly agent and lubricant 6		High-performance primer, light grey 13
	Intensive all purpose cleaner 11		High-performance PTFE spray 9
B	High-performance brake service spray 4		Pouring spout (25 l plastic can) 15
	High-performance battery terminal grease 4		Pouring spout (5 and 10 l plastic can) 15
	Intensive brake cleaner 10		Pouring spout (60 l, 200 l barrels) 15
C	Cold shock rust remover 8		Pouring spout (60l plastic can) 15
	High-performance ceramic paste 5		Probe for throttle valve and intake cleaner 5
	High-performance chain spray 5		Pump sprayer for all purpose cleaner 15
	High-performance contact spray 6		Pump sprayer for brake cleaner 15
	High-performance copper paste 6		Pump sprayer for rim cleaner 15
	High-performance copper spray 6	R	Active rim cleaner 12
	High-performance corrosion protection oil 13		High-performance rust remover Rasant 9
	Intensive cockpit care, silicone-free 12		Intensive rust remover MoS2 9
	Intensive cockpit care, with silicone 12	R	High-performance silicone spray grease 7
	Intensive cold cleaner 10		High-performance silicone spray with dual spray head 9
	Intensive compressed air spray 10		High-performance silicone spray 9
D	High-performance drilling and cutting oil foam 8		High-performance special injector solvent 8
	High-performance drilling and cutting oil 8		High-performance special-purpose solvent 11
E	High-performance electronics cleaner 10		High-performance synthetic oil 9
	High-performance engine and case sealing compound, red 7		Intensive stainless steel cleaner 11
	High-performance engine sealing compound, black 7		Super - multifunction spray with dual spray head 9
F	Active foam cleaner 12		Super - multi-function spray 9
	Intensive freeze spray 5	T	High-performance throttle valve and intake cleaner 5
G	High-performance graphite oil 8		Intensive tile and hall cleaner 10
	High-performance grease with PTFE 7	U	High-performance universal spray H1 8
	Intensive glass cleaner foam 12	W	High-performance welding protection 7
H	Hand cleaner 14		High-performance white spray grease 7
	Hand-washing paste 14		High-performance wire rope and gear wheel grease 5
I	High-performance industrial cleaner 10		Intensive workshop cleaner 11
	Active leakage detection spray 6	Z	High-performance zinc spray - aluminium-light 13
M	High-performance multi-purpose grease 6		High-performance zinc spray - matte grey 13
	Intensive machine and part cleaner 11		

Caramba - The brand of the century "Made in Germany"

- ▶ **Speciality chemicals for every application:** from a single source, from the inventor of the multi-function spray
- ▶ **Tradition in innovation:** more than 100 years of research and development for our customers
- ▶ **Well positioned:** more than 70 products for lubrication, dissolving, cleaning, protection and care
- ▶ **Genuine chemicals "Made in Germany":** research, development and production in Germany
- ▶ **Excellent user friendliness:** thanks to convenient and safe use and packaging sizes in line with market requirements
- ▶ **Concentrated know-how:** Three modern research laboratories in Germany

Repair and maintenance

High-performance Battery terminal grease

- Improves the current flow and prevents voltage losses
- Prevents malfunction
- Protects against corrosion and oxidation

5 g | Pack of: 25 | Art. No. 64570051

High-performance Brake service spray

- Suitable for anti-lock braking and electronic stability programme systems
- Non-dripping, dielectric
- Effective protection against corrosion

500 ml | Pack of: 6 | Art. No. 60158605

High-performance Wire rope and gear wheel grease

- Suitable for extreme loads (four-ball tester value: 2,100 N)
- Temperature-resistant from -30 °C to +450 °C
- For heavy-duty bearings, steel ropes, cranes, elevators, moving stairs, etc.
- Resistant to saltwater and splash water

500 ml | Pack of: 6 | Art. No. 64540001

High-performance Throttle valve and intake cleaner

- Dissolves coked residues and gum
- Improves the performance of exhaust emission valves and prevents performance loss
- Suited for petrol and diesel engines

500 ml | Pack of: 6 | Art. No. 609705

Probe for throttle valve and intake cleaner

Pack of: 6 | Art. No. 683006

High-performance Adhesive lubricant

- Very well effective lubricant for parts exposed to high pressure, shocks, etc. (four-ball tester value: 1,700 N)
- Excellent creeping and penetration properties
- Good protection against corrosion

500 ml | Pack of: 6 | Art. No. 64190501

Intensive Freeze spray

- Fast cooling of materials to -40 °C, free from CFCs and CHCs
- Evaporates without residues
- Reaches even hard-to-reach spots by a separate extra long spray tube

500 ml | Pack of: 6 | Art. No. 690019

High-performance Ceramic paste

- Temperature-resistant from -20 °C to +1,400 °C
- Prevents cold welding, friction, corrosion and wear
- Suitable for metal components made of stainless steel, zinc, aluminium, copper, etc.

200 ml | Pack of: 6 | Art. No. 6905061

High-performance Chain spray

- Fully synthetic colourless grease
- Protects against wear and corrosion
- Resistant to dropping or throwing off and water spray
- Suitable for O-, X- and Z-rings

500 ml | Pack of: 6 | Art. No. 60628501

Repair and maintenance

High-performance Contact spray

- Displaces moisture
- Cleans with a long-lasting effect
- Eliminates malfunction due to moisture

500 ml | Pack of: 6 | Art. No. 60091703

High-performance Copper paste

- Protects against corrosion, friction and seizing
- Ideal as an assembly lubricant
- Resistant to high pressure and abrasion, adhering
- Resistant to salt water and most acidic and caustic solutions

200 ml | Pack of: 6 | Art. No. 60268176

High-performance Copper spray

- Protects against corrosion, friction and seizing
- Ideal as an assembly lubricant
- Resistant to high pressure and abrasion, adhering
- Resistant to salt water and most acidic and caustic solutions

500 ml | Pack of: 6 | Art. No. 60268505

Active Leakage detection spray

DVGW-approved

- Can be used by all gas installation companies and test facilities
- Detects the finest hair cracks in plastic and metal piping
- DVGW-approved according to DIN EN 14291

400 ml | Pack of: 6 | Art. No. 60320510

High-performance Multi-purpose Grease

- Transparent lithium saponified universal grease
- Forms a load-carrying lubricating and separating film (four-ball tester value: 1,600N)
- Reduces friction and wear, resistant to hot water and steam
- Temperature-resistant from -30 °C to +120 °C

400 g | Pack of: 12 | Art. No. 690021

High-performance Lubricant for Assembly

- Colourless and silicone-free
- Harmless to all plastics
- Improves the sliding of seals
- Leaves no lubricating residues

10 l | Pack of: 1 | Art. No. 6136001

High-performance Engine and case sealing compound **Red**

- Temperature-resistant from -60 °C to +260 °C, short-time up to +300 °C
- Good resistance to chemicals, non-shrinking
- Adheres well on metal, glass, enamel, ceramic, aluminium, painted wood, etc.

200 ml | Pack of: 6 | Art. No. 690015

High-performance Engine sealing compound **Black**

- Permanently elastic, non-shrinking
- Good resistance to chemicals, non-shrinking
- Temperature-resistant from -50 °C to +180 °C
- Seals engines, gearboxes, oil sumps, cases, containers, etc.

200 ml | Pack of: 6 | Art. No. 690025

High-performance grease with PTFE

- Approved for use in the food processing industry (NSF-certified)
- For extreme loads (four-ball tester value: 2,400 N)
- Temperature-resistant from -30 °C to +250 °C
- Resisting to chemicals and salt water, silicone-free

500 ml | Pack of: 6 | Art. No. 64181601

High-performance Welding protection

- Non-flammable
- Perfect for arc and gas-shielded welding on steel, aluminium, and stainless steel
- Tested according to DIN 8572

400 ml | Pack of: 6 | Art. No. 60308505

High-performance Silicone spray grease

- Approved for use in the food processing industry (NSF-certified)
- Excellent sliding and lubricating properties
- Temperature-resistant from -30 °C to +200 °C

500 ml | Pack of: 6 | Art. No. 6074001

High-performance White spray grease

- For high stresses (four-ball tester value: 1,400 N)
- Effective protection against corrosion
- Temperature-resistant from -40°C to +250°C
- Extremely resistant to dropping or throwing off and water
- Good visual control thanks to white colouring (free from silicone)

500 ml | Pack of: 6 | Art. No. 6071851

Rust dissolving and lubricating

High-performance Drilling and cutting oil

- For clean thread cutting, preserving tools
- For alloys and plain carbon steel, cast iron, aluminium and other materials
- Free from mineral oil and chlorine

500 ml | Pack of: 6 | Art. No. 61730621
5 L concentrate | Pack of: 2 | Art. No. 61730721

High-performance Drilling and Cutting Oil Foam

- Adhering foam for clean, tool-preserving metal processing
- Possesses a superb cooling and lubricating effect
- For alloys and plain carbon steel, cast iron, aluminium and other materials

500 ml | Pack of: 6 | Art. No. 617308

Active Cold shock rust remover

- Shock icing up to -35 °C
- Efficiently removes dirt crusts, oil residues, gumming, etc.
- With PTFE, thus gentle to materials
- Free from silicone and acids

500 ml | Pack of: 6 | Art. No. 6610001

High-performance Graphite oil

- Effective from -30 °C to +450 °C
- Good lubricating properties at high pressure (four-ball tester value: 1,200 N)
- Ideal lubricating effect for humid atmospheres
- Electrically conductive, silicone-free

500 ml | Pack of: 6 | Art. No. 6003071
5 l | Pack of: 2 | Art. No. 660450

High-performance Special injector solvent

- With quadruple effect
- Cold shock up to -30 °C
- Active agent penetrates very quickly
- Efficiently removes dirt crusts, oil residues, gum
- Very good sliding properties thanks to PTFE particles

500 ml | Pack of: 6 | Art. No. 6610050

High-performance universal spray H1

- Approved for use in the food processing industry (NSF-certified)
- Possesses excellent properties as fine lubricating oil for joints, hinges, closures, linkages, drives, chains, cutting blades, etc.
- Is water-repellent and exhibits good corrosion protection
- Has excellent penetrating properties and is thus well suited as a rust dissolver

500 ml | Pack of: 6 | Art. No. 622105

High-performance PTFE Spray

- Effective from -30 °C to +250 °C
- Resistant to chemicals
- Very good lubricating properties at high pressure (four-ball tester value: 1,600 N)
- Dielectric, silicone-free

500 ml | Pack of: 6 | Art. No. 60278505

High-performance Rust remover Rasant Silicone-free

- Dissolves rust very quickly
- Effective against glue residues, dirt crusts and gum

500 ml | Pack of: 6 | Art. No. 6007081
5 l | Pack of: 2 | Art. No. 6007051

Intensive Rust remover MoS₂ Silicone-free

- Rust dissolving
- Good lubricating properties
- Temperature-resistant from -40 °C to +450 °C

500 ml | Pack of: 6 | Art. No. 6002081
5 l | Pack of: 2 | Art. No. 60028847

High-performance Synthetic oil

- Protects and lubricates rubber, plastics and metals
- Can be painted over (droplets/accidental contamination only; acts as a separating agent if applied on larger areas)
- Temperature-resistant from -30°C to +200°C
- Free from solids, contains silicone, colourless and odourless

500 ml | Pack of: 6 | Art. No. 629905

High-performance Silicone spray

- Approved for use in the food processing industry (NSF-certified)
- Temperature-resistant from -30 °C to 200 °C
- Colourless and low in odour, no staining

500 ml | Pack of: 6 | Art. No. 6103051

High-performance Silicone spray with dual spray head

500 ml | Pack of: 6 | Art. No. 6103251

Super The original multi-function spray

- Excellent lubricating properties
- Excellent moisture displacement
- Efficient protection from malfunctions caused by moisture and corrosion

500 ml | Pack of: 6 | Art. No. 6612011
5 l | Pack of: 2 | Art. No. 6000410
200 l | Pack of: 1 | Art. No. 600059

Super with dual spray head The original multi-function spray

500 ml | Pack of: 6 | Art. No. 6612021

Technical cleaning products

Intensive Brake cleaner **Acetone-free**

- Cleans quickly without any residues
- Degreases completely and dries quickly

500 ml | Pack of: 12 · Art. No. 6026381
 5 l | Pack of: 2 · Art. No. 6026091
 25 l | Pack of: 1 · Art. No. 6026101
 60 l | Pack of: 1 · Art. No. 6026111
 200 l | Pack of: 1 · Art. No. 60262001

Intensive Compressed air spray

- Pure and dry compressed gas, including 360° valve
- For the cleaning of electronic components/systems
- Flammable, CFC-free, colourless, odourless, solvent-free

270 ml | Pack of: 6 · Art. No. 6285001

High-performance Electronics cleaner

- Cleans and maintains components
- Evaporates without any residues, dissolves resin
- Effective against gummed up contact lubricants

500 ml | Pack of: 6 · Art. No. 60358542

High-performance Industrial cleaner **With acetone**

- Dries fast
- Effective without residue
- Dissolves oily contamination, removes crusty and gummed up dirt and residues
- Tested by the Physikalisch-Technische Bundesanstalt (Federal Physical-Technical Institute) in Braunschweig

500 ml | Pack of: 6 · Art. No. 60250001

Intensive Cold cleaner

- Cleans deeply
- Reduces the burden on waste water and the environment
- Removes oil, resin, and stubborn dirt
- Fast separating, no burden for the sewage and AOX-free

500 ml | Pack of: 6 · Art. No. 60542803
 25 l | Pack of: 1 · Art. No. 60542201

Operations and special cleaning

Intensive All purpose cleaner **Concentrate**

- Approved for use in the food processing industry (NSF-certified)
- Removes even the most stubborn dirt, such as oil, grease, nicotine, soot, wax, soap, ink, insects, etc.
- Efficient in use as it is highly concentrated
- pH-value: approx. 11.3

10 l | Pack of: 1 · Art. No. 6901310
 25 l | Pack of: 1 · Art. No. 6901021

Intensive Stainless steel cleaner

- Approved for use in the food processing industry (NSF-certified)
- Protects against contamination and becoming tarnished
- Antistatic and maintaining

500 ml | Pack of: 6 · Art. No. 63308401

Intensive Tile and hall cleaner **Concentrate**

- Highly effective against lime contamination
- Applicable to factory floors, sanitary rooms, washing stations, etc.
- Can only be used on acid-resistant surfaces
- pH-value of the concentrate: < 0.5

5 l | Pack of: 1 · Art. No. 5281050
 25 l | Pack of: 1 · Art. No. 5281252

Intensive Machine and part cleaner **Concentrate**

- High dirt dissolving power
- Removes oil, grease and other stubborn contamination
- Without NTA, pH-value approx. 12.8

10 l | Pack of: 1 · Art. No. 6910101

Active Oil stain remover

- For all absorbing and non-absorbing substrates
- Suitable for natural stone and concrete, clay, pumice, floor screed, clinker, ceramic and textile floor covering
- Good adhesion, suitable for highly inclined surfaces

1 l | Pack of: 6 · Art. No. 606801

High-performance Special solvent

- For all smooth surfaces
- Dissolves stickers, glue residues, stains of paint, etc. from hard non-absorbing substrates
- Effective without residue

500 ml | Pack of: 6 · Art. No. 66140704

Intensive Workshop cleaner **Concentrate**

- Excellent removal of oil, grease, and dirt
- Environmentally friendly, and biodegradable according to the legal decree for the law on washing powder and cleaning agents
- Can be implemented manually or by machine
- pH-value (5% in water): 12.0

5 l | Pack of: 1 · Art. No. 5447060
 25 l | Pack of: 1 · Art. No. 5447252

Cleaning and care

Intensive Cockpit care silicone-free

- Suited for paint shops, silicone-free
- Antistatic effect, removes grey film
- Matt surfaces remain matt
- Contains high-quality vegetable wax components forming a caring protective film

500 ml | Pack of: 6 | Art. No. 61310001

Intensive Cockpit care containing silicone

- Cleans and maintains all plastic parts and smooth leather
- Antistatic and dirt-repellent
- With UV protection against bleaching
- Particularly gentle cleaning thanks to water-based foam

500 ml | Pack of: 6 | Art. No. 6161051

Active Rim cleaner pH-neutral

- DEKRA-approved quality
- Suitable for all rim types
- Active cleaning of areas that are difficult to access
- Free from acid, harmless to brake discs, paints, rubber and plastics

500 ml | Pack of: 6 | Art. No. 6270064
10 l | Pack of: 1 | Art. No. 6270051

Intensive Glass cleaner foam

- Removes insect remains, streaks and deposits
- Removes stubborn dirt and organic residue, reduces window fogging

500 ml | Pack of: 6 | Art. No. 6290305

Intensive Magic Wonder Gloss Polish

- For smooth surfaces, contains silicone
- Maintains, cleans, and protects all in one step without preliminary cleaning
- Optimal gloss finish and protective effect for many months

400 ml | Pack of: 6 | Art. No. 6311161

Active Perfect Climate

- With a disinfecting active agent
- Counteracts odours due to dust and dirt deposits, bacteria and fungi
- Removes unpleasant odours from upholstery and carpeting

100 ml | Pack of: 20 | Art. No. 64501101

Active Foam cleaner

- Perfect for restoration
- Can be used on all washable surfaces
- Removes stubborn dirt
- Gentle to materials

500 ml | Pack of: 6 | Art. No. 64010601

Corrosion protection and preservation

High-performance Primer Light-grey

- Fast drying
- Good adhesion on metals, wood, stone, ceramic, concrete, paintable plastics, etc.
- Resistant to petrol, light-fast, weather-resistant
- Can be painted over with common nitrocellulose and water-based paints

500 ml | Pack of: 6 | Art. No. 6620441

High-performance Corrosion protection oil

- Effective protection against corrosion for steel, iron and non-ferrous metals as well as their alloys
- Excellent creeping properties
- Non-gumming even during extended idle times

5l | Pack of: 2 | Art. No. 6648051
200 l | Pack of: 1 | Art. No. 6648201

High-performance Anti-corrosive wax

- Protects during storage and transport
- Drip fast up to +100 °C
- Forms an elastic film that remains flexible even in cold environments
- Resistant to salt water and moisture-displacing

500 ml | Pack of: 6 | Art. No. 6406001

High-performance Anti-corrosive primer Red-brown

- Excellent corrosion protection (more than 400 hours as per DIN 53167)
- Good isolation of the transition zones of ground and filled areas.
- Can be painted over with common nitrocellulose and water-based paints

500 ml | Pack of: 6 | Art. No. 691509

High-performance Zinc spray Alu bright

- Can be welded through and overcoated
- More than a 144 h protective effect according to the DIN EN ISO 9227 salt spray test
- Temperature-resistant up to +200 °C

500 ml | Pack of: 6 | Art. No. 60768505

High-performance Zinc spray Matt grey

- Can be welded through and overcoated
- More than a 1,140 h protective effect according to the DIN EN ISO 9227 salt spray test
- Temperature-resistant up to +600 °C

500 ml | Pack of: 6 | Art. No. 60388505

Hand cleaning

Hand cleaner

- Can be used universally for the thorough and quick removal of dirt, oil, grease, paint, tar, resin and rubber residues
- Abrasive agents gentle to the skin

250 ml | Pack of: 12 | Art. No. 698025

Hand-washing paste

- Removes gently and down to the pores oil, grease, bitumen, ink and other stubborn contamination
- Contains skin-friendly ingredients
- Sand-free
- Free from alkalis and solvents

10 l | Pack of: 1 | Art. No. 6980510

Accessories

Pouring spout

- Drain valve as per DIN 51 for 5 l and 10 l plastic cans

for 5 l and 10 l plastic cans | Pack of: 1 | Art. No. 689602

Pouring spout

- Drain valve as per DIN 61 for 25 l plastic cans

For 25 l plastic cans | Pack of: 1 | Art. No. 689600

Pouring spout

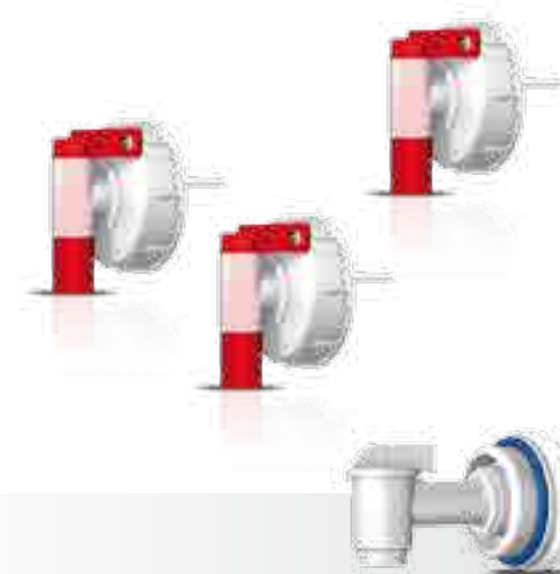

- Drain valve as per DIN 71 for 60 l plastic cans

For 60 l plastic cans | Pack of: 1 | Art. No. 689601

Pouring spout

- Drain valve 3/4" for 60 l and 200 l metal barrels

for 60 l and 200 l metal barrels | Pack of: 1 | Art. No. 15313003

Pump sprayer for all purpose cleaner

- For the ready-for-use solution
- Capacity: 1 litre
- Empty

for all purpose cleaner | Pack of: 1 | Art. No. 69320304

Pump sprayer for brake cleaner Acetone-free

- Capacity: 1 litre
- Empty

For brake cleaner | Pack of: 1 | Art. No. 69320104

Pump sprayer for rim cleaner

- Capacity: 1 litre
- Empty

For rim cleaner | Pack of: 1 | Art. No. 69320204
